

Administrator Instructions for Teacher Collaboration Survey

The purpose of this survey is to determine your perceptions of the effectiveness of your whole teacher team. The survey asks you to evaluate the effectiveness of your team, not to evaluate the effectiveness of you individually or any one member of your team.

Read: “Each team member independently fills out the teacher collaboration survey. On the left side of the survey, you will find a description of a 1 score (strongly disagree) and on the right side of the survey, you will find a description of a 5 score (strongly agree). Circle the score that best represents your team’s functioning for each question.”
