

### First Semester for Transfer Students:

At your previous school, if you've not had a chance to take these courses yet, register for any of the following pre-major courses:

- HDFS 1500
- HDFS 2000
- HDFS 2400
- STAT 1040 or STAT 1045\*

\*Statistics is our math path. You may need to take the ALEKS Placement Exam before registering for a stats class.

USU has some unique Depth General Education that they call University Studies. You'll see this box on your Degree Works worksheet. You'll eventually need to choose one course in each of the following areas. This is a great semester to get one or both done.

- Depth Humanities & Creative Arts (DHA)
- Depth Life & Physical Sciences (DSC)

Some other courses to consider are:

- HDFS 2660
- HDFS 3100
- HDFS 3110
- HDFS 3350
