Julie Gast, PhD, MCHES  
Director, MPH in Health Education & Promotion Program  
Utah State University  
*Sent via email*

Dear Dr. Gast:

This acknowledges the program's communication of March 29, 2024, with notification of a substantive change. The Council on Education for Public Health reviewed your notice on May 6, 2024, at which time we acted to accept your submission.

We understand that the program has added a BS in community and public health (place-based format) and BS in health science (distance-based format) to the unit of accreditation.

Attached with this letter is a seal that reflects the program's updated status with accredited public health bachelor's and master's degrees. Additionally, staff will soon forward an invoice for the substantive change fee, as noted in CEPH's [fee schedule](#).

To maintain accredited status, the program must continue to submit annual reports as required, and the next full review must take place with a site visit by December 31, 2027. We look forward to these upcoming review activities.

Sincerely,

A handwritten signature in black ink that reads "Laura Rasar King".

Laura Rasar King, EdD, MPH  
Executive Director
