DISEASE?**

PALS

PREVENT ALZHEIMER'S FOR LIFE STUDY

- Learn about health and modifiable lifestyle behaviors to combat Alzheimer's disease and cognitive decline
- Obtain measurements on your health and lifestyle factors
- Learn about strategies to reduce your risk of Alzheimer's disease

To join the study, you must

- Be age 55 years or older
- Attend the [Health Fair on Alzheimer's Prevention](#)
- Visit all 12 PALS research booths (about 1 hour total time) [insert compensation]
- Expect a contact in 3-6 months to complete a brief follow-up survey
