

Section: Combined Clinical/Counseling Student Policies

Policy Number: 713.5

Subject: Combined Clinical/Counseling Policy on Changing Specialty Area within Department

**Combined Clinical/Counseling Policy on Changing Specialty Area within Department**

Should a student in good standing wish to change from one specialty area to another (e.g., Combined PhD program to one of the other specializations offered in the department), the application must be approved by the faculty of the program the student wishes to enter. Students will be asked to follow normal admission procedures.
