

CEHS Undergraduate Student Research Grant Application Form

Title of Project:

Is this project part of an undergraduate thesis or honors capstone? (If yes, please provide a brief description of how this project will contribute to that requirement.) Yes: ☐ No: ☐

Amount requested from College (\$):

Match from home Department, including advisor (\$):

Student name:

Student email address:

Department:

Project start date:

Student signature:

Date:

Research mentor name:

Research mentor email:

Research mentor signature indicating that: (a) the student is in good standing within their program; and (b) they are committed to supporting the completion of this project.

Research mentor signature:

Date:

List and order of elements to include in the application (please compile into a single PDF file):

1. This application form, complete with all signatures;
2. Overview of the proposed research project (one-page maximum);
3. Letter of support from the research mentor;
4. Itemized/detailed budget and justification;
5. Copy of IRB or IACUC approval to conduct research. (If not included with the application, candidates with meritorious projects will be notified of the award; however, funds will not be dispersed until the recipient provides documentation of IRB or IACUC approval to the Associate Dean for Research.)

Department Head name:

Department Head email:

Business officer name:

Business officer email:

Department head and departmental business officer signatures indicating that the department: (a) agrees to provide a 50% match to arrive at the total funds requested as indicated above; and (b) endorses the project in cases where a training committee does not exist to approve of the proposed research.
