

Our Aural Rehabilitation lab is housed within the COMDDE-Lillywhite Building off of 700 North on the USU campus. Behind the Lillywhite building we have reserved parking spots that can be used by visitors to the lab.

Directions to USU's Aural Rehabilitation Lab from Main Street (in Logan):

- Turn East onto HWY 89/400 North
- Proceed up the hill through several stop lights
- Turn left onto 1200 East (between the Fine Arts building and a grass lot)
- Go one block North to the stop light at 700 North
- Turn left onto 700 North
- Stay on 700 North and drive one block West
- Turn left at the "Performance Hall" sign
- Drive South until the road curves right and then drive West until you see our building. It is made of beige brick (if you see a red "barn" building to your right, you've gone too far)
- Park in any of the 5 parking spots with signs for the "Speech and Hearing Clinic" parking behind the building near the garbage bin.
- After you park your car, place your parking pass on your car's dash and enter the building from the side entrance on the west side of the building.
- The staff at the front desk can provide you with help locating our lab once you've entered the building.
- **If you have any problems locating our lab please call us at (435) 797-5748 and we will assist you in further directions.**
- **GPS address: 960 E 700 N, Logan, UT 84322**

Additional information is available on our lab website
